

FONT LISENCE

This font is free for testing purpose only like presentation and experiment. If the font will be transmitted or used by a client, the client must purchase an appropriate license.

A few things to keep in mind:

- Feel free to use it in any personal project!
- Please don't sell or redistribute the font as your own, but feel free to share the link so others can download it too.
- No modifications to the font software or design, just to keep everything consistent for everyone.

That's it! Have fun and happy designing!

Should you desire any additional use that is not mentioned within this Agreement, feel free to contact us.
